Our Innovation Hub

Our Innovation Hub is home to many of our award-winning products and solutions. We research emerging technologies, keep customers at the core, and find the lowest-risk opportunities with the highest chance of success. Whether a solution is entirely new to you, one that keeps your operations running smoothly, or something that falls in between - you can trust Rigil to build it while having the peace-of-mind knowing we made the investment up-front at no cost or risk to you.

StrataGem
Transform learning

Our StrataGem enterprise platform lets you tailor curriculum on your own terms with adaptive learning, competition, metrics-based data, and self-evaluation features.

iViews

Maximize fiscal investments
Our iViews™ fiscal budget management solution lets you bid farewell to spreadsheets while accounting for every dollar and decision digitally.
