

Kerry W. Albright
Senior Director, Client Services
and Solutions

Kerry is a Senior Manager and Consultant who believes that every job is important and a steppingstone to new opportunities. He values honest employee communication and his strong professional relationships, which creates a successful environment for the growth of our company and its employees. He believes in hiring both talented and good people into the contract workforce to build a strong, successful team. With 45 years in the Information technology industry, he brings experience, knowledge and proven success to Rigil and our customers.

Kerry comes to Rigil from SAIC where he was a Senior Director and Portfolio Manager in the Civilian Business Unit managing the Department of Transportation account. Within his portfolio, he managed over 1,500 employees and an annual revenue of \$185M annually. At Rigil, he will be responsible for employee engagement and customer relationship management at the Mike Monroney Aeronautical Center. He will participate in new contract opportunity identification and review as well as Proposal construction and review for driving new growth and opportunity for Rigil. Kerry possesses deep knowledge in both civilian and defense aviation with experience in US Air Force, DISA, Army, Marines, FAA and DOT customers.

Kerry has a Master's Degree in Management from Southern Nazarene University (SNU), a Bachelor of Science in Computer Science from SNU, and is a Certified Program Management Professional (PMP) and resides in Bethany, OK. He and his wife Janice have been married for 43 years, have 3 children and 4 grandchildren. He loves time at Lake Tenkiller as well as home gardening and cooking.
